

P.U.(A) 328/86
FACTORIES AND MACHINERY (BUILDING OPERATIONS AND WORKS OF ENGINEERING
CONSTRUCTION) (SAFETY) REGULATIONS 1986
PART XIII - MATERIAL HANDLING AND STORAGE, USE AND DISPOSAL

Regulation 120. Falling of timber.

- (1) Timber shall be so stacked so as to be safe against falling or topping over and when unstacked all tiers shall be unstacked simultaneously.
- (2) Unused timber shall have nails withdrawn before it is stacked unless it is to be burned without further handling.
